

# DPS Suns Instrument Information

## Year 2017-2018

---

### **Recommended Instruments for Beginning Band Students:**

Trombone, Flute, Oboe, Clarinet, Saxophone, Trumpet, French Horn, Baritone or Tuba.

**Percussion & Bass Guitar:** Due to the unique aspects of percussion instruments and the bass guitar, these instruments have certain restrictions. Please see separate sheet enclosed in your First Day Packet. Also, please note: bass players are only allowed in Beginning and Concert Band.

**Music Book:** ESSENTIAL ELEMENTS 2000 Book #1 (for their instrument). Students will also need a music stand for practicing at home.

**Instrument Rentals: GOOD NEWS!** It is not necessary to purchase an instrument immediately. You may rent instruments from local music stores. The cost for rentals is approximately \$20 to \$35 per month for flutes, clarinets, trombones and trumpets and \$40 to \$65 for Saxophones. Percussionists will need to purchase mallets or sticks (size 2A or 5B) and a practice pad. Some stores also offer rent-to-own options.

**Instrument Purchases:** There are many options out there to purchase new and used instruments. I will list a few but I need to mention that you will encounter a wide range of prices. Even as low as \$50 for a new instrument! I am not going to say not to go that direction as I have seen those instruments serve the students well. However, more often than not, those instruments create problems that discourage young students. When instruments get handled by students, often their keys get out of alignment. Music repairmen will not work on these inexpensive instruments as their keys often break. Below are places to look for new and used instruments (in addition to the stores listed above.)

# ATTENTION PERCUSSIONISTS and BASS GUITAR PLAYERS

---

Mr. McGhee recommends all Beginning Band students start out on a band instrument, such as: trumpet, clarinet, flute, saxophone, French horn, trombone, baritone or tuba.

Due to limited physical space in the classroom and limited amplifier capacity, **beginning band classes can only accommodate 5 bass guitar players and 5 drummers per beginning band class.** In addition, each student player **MUST** be enrolled in private lessons throughout the year. Proof of enrollment in private lessons will be required.
