

Before putting your instrument back in its case after playing, do the following:

- Carefully remove the reed and blow air through it. Return to reed case.
- Gently twist apart the upper and lower sections. Drop a weighted swab through the lower section and pull it out the bell. Return the lower section and the bell to the case.
- Swab out the upper section or clean it with an oboe feather and return it to the case.

- = Open
- = Pressed down
- ◐ = Half hole covered
